"Opening the first New York City Chillbox was all about location, which is why heavily trafficked Times Square made perfect sense for the brand's debut here," said Piazza. "It's a great addition to arguably one of the busiest pedestrian crossroads on the planet, and with the construction of the new 452-room Edition Hotel and 76,000 s/f commercial retail space at 20 Times Sq., the intersection will soon become that much more powerful. We're thrilled to have helped make Chillbox's debut in New York City a reality and position our client in an iconic building that is truly part of the fabric of the city."

The asking rent for the space was \$1,000 per s/f. Fred Rosenberg of Sherwood Equities represented Two Times Sq.

Founded in Greece, Chillbox currently operates more than 120 stores in Europe, Russia, the Middle East and USA. The franchise business is popular for its frozen yogurt, toppings bar, ice cream and beverage options, including coffee and smoothies.
