What do you do now and what are you planning for the future? VVA, LLC is a leading full service, independent project management and consulting company headquartered in New York City with offices in Washington, D.C. and Sao Paulo, Brazil. VVA is regarded as an expert in project management for a variety of industries, including law firms, financial services, media and entertainment, libraries, museums, healthcare facilities, mission critical facilities, hotels, building development and renovation. VVA continues to grow by expanding its scope of services and diversifying its client base by providing project management services to new clients in various industries.

Favorite book: "A Tree Grows in Brooklyn"

Favorite movie: Any Indiana Jones movie

Keys to success: Balance in life and keeping our options open

If you had to choose another vocation what would it be? Developer, because it's similar to being a project manager in that they both make nice environments for tenants. The big difference is that developers take on more risk but have the potential for much greater returns!
