What was the best decision you made in 2017 and why?

I was the corporate walk chair for the Leukemia Lymphoma Society's "Light The Night Walk," which raised \$1.4 million. In addition to fundraising, I wanted to raise awareness about the need for research and how we can all help. It was an honor to participate as the chair for this event and spearhead fundraising efforts.

What trends will impact your business in 2018?

The increase in construction projects throughout the Tri-state area will provide opportunities for many of the trades.
