What was your most notable project, deal, transaction or professional achievement in 2018?

I am proud to say, we had a very active year. We had many exciting, challenging projects in 2018 all over New York City! We have an amazing growing clientele that we sincerely thank for their continued support. A notable feature is that the majority of our work is from repeat and referral clients and that alone, says a lot about us! We look forward to 2019!
