What was your most notable project, deal, transaction or professional achievement in 2018?

Starting an investment sales division at RM Friedland. We hired John Barrett at the beginning of the year and in September the dynamic Team Lala with Marco Lala at its helm joined. We expect that we will have more investment sales professionals starting at the beginning of the year. There is some market uncertainty in this sector, but the middle market, especially in the territories that we cover, remains very active. Barrett and Team Lala are a tremendous compliment to our brokerage team. We are excited about the future.
