H2M held an employee raffle to raise money for a local charity called Rocking the Road for a Cure.

"H2M supports charities that make our community a better place. Rocking the Road for a Cure provides many families with the programs and support they need. It is our pleasure to support such a great organization," said John Molloy, P.E., president and CEO of H2M.

Rocking the Road for a Cure Inc., is a community-based non-profit organization founded to provide free educational and homebound wellness programs, case management, counseling, recreational therapy and other support services for women and men going through the diagnosis and treatment of breast cancer. Their mission is to restore strength and confidence, as well as rebuild spiritual, emotional and physical well-being. They are a network of culturally diverse volunteers and professional, licensed and certified women and men who understand some of the challenges that you face today. There may be services that we can provide for you to make your life a little easier during this transitional period.

If you have any questions or would like to volunteer call Dawn Frey, President and Founder of Rocking the Road for a Cure at (516) 417-1911 or visit their website www.rockingtheroadforcure.org.
