How many years have you been in your current field? 17

List up to three CRE organizations that you are currently a member of:

SMPS,
Open House New York

What does it mean to you to be a team player?

Being a team player starts with one word. Commitment. Commitment to your team and commitment to the firm. Leaders who encourage a true team environment motivate, listen and respect those around them. As a Simon Sinek fan it's also about care. Teams that genuinely care about each other will achieve whatever they set goals to be.
