

Outside the Region: Steinberg promoted to general manager at Carlisle Coatings & Waterproofing

June 04, 2019 - Front Section

Wylie, TX Brett Steinberg was promoted to general manager of Carlisle Coatings & Waterproofing, Inc. (CCW). He is responsible for the CCW brand strategy as well as the development of sales and marketing channels for CCW's traditional waterproofing products, including the rapidly expanding below-grade market, along with both air and vapor barriers and other building envelope solutions. In his new position, he also oversees sales, marketing, technical services and customer service.

Steinberg joined CCW as eastern states sales manager in July 2018, managing CCW's Northeast and Southeast regions. Previously, he was with Kemper System America for 10 years where he served as national sales manager since 2012.

"Brett's leadership and experience in the high-end waterproofing market in North America and Europe will be invaluable to our growth as we move ahead," said Mike McAuley, Carlisle Construction Materials, Executive VP, Diversified Products.

Steinberg earned a B.A. in Communications from Richard Stockton College in Pomona, N.J.
