Board of Governors Meeting

The NYSCAR Board of Governors will be meeting on Tuesday, September 24th, 2019 at the Turning Stone Resort and Casino in Verona.

Continuing Education

The Assembly and Senate passed New York State Association of Realtor-supported (NYSAR) legislation to require the inclusion of an additional 2.5 hours of ethical business practices and 1 hour of legal updates in the core continuing education requirements. This increases the mandatory continuing education component from 4 to 7.5 hours. The bill also removed the grandfathering exemption for licensees with 15 years of experience who received their license prior to 2008.

This bill needs to be signed by the governor to become law. We will keep you updated on this important issue.

Challenger considers run against senator Amedore

Michelle Hinchey of Saugerties, daughter of late congressman Maurice Hinchey, is considering a run for the 46th State Senate seat currently held by Realtor member George Amedore (R-Rotterdam). Sen. Amedore has been a strong supporter of Realtor issues and was elected to his third term in the Senate in 2018 and was in the State Assembly from 2007 to 2012.

NYC storefront vacancies to be tracked by new online database

Many New York City building owners will soon be required to register with the city as part of a new database aimed at reducing the number of storefront vacancies.

The City Council passed a bill that mandates the tracking of storefronts and second-floor commercial spaces across the five boroughs in an effort to accurately measure vacancies and come up with informed solutions for filling them.
