June 04, 2010 - Front Section

Chris Cervelli, a broker associate/site manager at Cervelli Real Estate, has earned the Certified Commercial Investment Member (CCIM) designation.

A CCIM is a recognized expert in the disciplines of commercial and investment real estate.

A CCIM is an invaluable resource to the commercial real estate owner, investor, and user, and is among an elite corps of more than 9,000 professionals who hold the CCIM designation across North America and more than 30 countries.

Recognized for its pre-eminence within the industry, the CCIM curriculum represents the core knowledge expected of commercial investment practitioners, regardless of the diversity of specializations within the industry.

Following the course work, candidates must submit a portfolio of closed transactions and/or consultations showing a depth of experience in the commercial investment field. Only 6% of the estimated 150,000 commercial real estate practitioners nationwide hold the CCIM designation, which reflects not only the caliber of the program, but also why it is one of the most coveted and respected designations in the industry.
