What was your greatest professional accomplishment in 2010?

Being selected by the administration of a major university to be an advisor and mentor to the Engineering and Physics departments' student body.

What was your most notable project, deal or transaction in 2010?

The successful completion of a two-year, \$500,000 emergency planning project.

What predictions do you have for commercial real estate in 2011?

Commercial real estate will see large growth in 2011. My organization will be at the ready to support and service the industry in a timely and cost effective manner.

What are some of your New Year's Resolutions?

To get involved in community service with an aim to help and support the needy. To work with the educational system

in career development and guidance for the student population.
