

Commercial Defeasance launches iDefeasance app

January 24, 2011 - Front Section

Commercial Defeasance, LLC has launched iDefeasance, one of the first defeasance apps. iDefeasance is a mobile calculator that allows commercial real estate professionals to estimate defeasance costs for any loan instantly on their iPhone, iTouch or iPad. It also answers frequently asked questions and gives users the option to call Commercial Defeasance for assistance with the touch of a button.

John Hosmer, CEO of Commercial Defeasance, said, "iDefeasance is the latest in a long line of industry innovations from Commercial Defeasance that are designed to help commercial real estate professionals Defeasance With Ease. We were on the cutting edge of technology when we developed the first web-based defeasance calculator ten years ago, so it was natural for Commercial Defeasance to lead the way again with the first defeasance app for mobile devices."
