

## **Pindus of US Energy honored by The Community Housing Improvement Program**

April 25, 2011 - Green Buildings

The Community Housing Improvement Program (CHIP) bestowed the William A. Moses Award on Jerry Pindus, president of TedPin Realty and CEO of US Energy Group, at a luncheon ceremony held on March 11th at New York's Water Club. Michael Kerr, CHIP executive board member, presented the award to Pindus, honoring him for his years of service to the real estate industry, including his ongoing commitment to provide building owners and property managers with effective and efficient building energy management solutions.
