What do you do now and what are you planning for the future? Hydro Tech performs environmental consulting work including Phase I ESAs, subsurface investigations (Phase II) and environmental remediation, including soil and groundwater remediation and underground storage tank removal. Hydro Tech takes an innovative approach to remedial design. We use the most up-to-date remedial techniques that meet our clients' time-frame and budget. We also help our clients take advantage of local, state and federal grants.

Hobbies: Gardening and loving my new baby

Favorite book: "1776" by David McCullough

Favorite movie: "Dirty Dancing"

Person you admire most: Has to be my Mom

Keys to success: Being positive, always doing your best, breaking the rules

If you had to choose another vocation what would it be? City planner

New York Real Estate Journal - 17 Accord Park Drive #207, Norwell MA 02061 - (781) 878-4540
