

Meet the IFMA Member: Jacqueline Anderson

June 13, 2011 - Design / Build

Jacqueline Anderson is facilities & purchasing manager for Curtis, Mallet-Prevost, Colt & Mosle LLP. I would say my success story is just having the opportunity to make a career change. A change that is very new to me. Before being promoted to facilities & purchasing manager of the firm, I worked as the administrative assistant to the executive director as well as the director of administration & human resources. Although I knew that the change would be a challenge, I was optimistic in accepting this opportunity. Being a new facilities manager, IFMA can be very beneficial for me. I believe the networking seminars will be of great help and I plan on attending as many as possible. The one thing I plan on accomplishing with the IFMA and which is very important to me is the FMP courses that are offered and to eventually complete the CFM courses.
