

TVGA Consultants awarded land survey services

July 25, 2011 - Upstate New York

Invenergy, the parent company of Stony Creek Energy, LLC, has awarded TVGA Consultants (TVGA) the land survey services for the Stony Creek Wind Project. TVGA will be responsible for conducting ALTA Standard Boundary Surveys on 126 parcels of property and locating the future placement of 59 turbines.

TVGA Consultants is a full-service engineering, environmental, land survey and architecture firm that has provided quality, value-based professional engineering services for more than 94 years. TVGA is proud to employ a highly skilled and diverse staff of civil, transportation, traffic and environmental engineers; architects; scientists; photogrammetrists; and land surveyors from locations throughout New York.

More information can be found at www.tvga.com.
