

Jodi Wladyka 2011

August 22, 2011 - Long Island

Name: Jodi Wladyka, CPSM

Title: Business Development & Marketing Director

Company: Emtec Consulting Engineers

Location: Ronkonkoma, N.Y.

Birthplace: Plainview, N.Y.

Family: Husband, Bill, and a son on the way

College: New York Institute of Technology

First job outside of real estate: I ran children's birthday parties for a theater company.

First job in real estate or allied field: Marketing assistance of JRS Architect, P.C.

What do you do now and what are you planning for the future? Licensed in 14 states, Emtec is a consulting engineering firm specializing in MEP engineering, special inspections, life safety and sustainability consulting. Our personnel of 30 include: licensed professional engineers, LEED accredited professionals and Nicet and ICC certified staff.

Hobbies: Travel, writing

Favorite book: Anything by Nicholas Sparks

Favorite movie: "Titanic"

Person you admire most (outside of family): My best friend, Aly, She took the things that she loves in life and has made a very successful career out of writing about them.

Key to success: A good professional/personal life balance

If you had to choose another vocation what would it be? Columnist for Vogue or Cosmopolitan magazine
