

Free reciprocal link exchange at rejournal.com

January 18, 2008 - Front Section

Get links to your website on rejournal.com's Industry Links pages for exposure to our 20,000 plus monthly visitors and top ranking in major search engines. Links to your site are important for generating high Search Engine results at Google and other engines and by linking to relevant websites with similar content you can be sure you're getting the link to your website exposure to a targeted audience of commercial real estate and industry professionals.

The easiest way to trade links with rejournal.com is through our "Link Trader" page. Rejournal Link Exchange

Just type the preceding URL into your favorite browser and fill out the "Reciprocal Link Form" and click "send", and then choose one of the several types of links we have provided and copy and paste the corresponding code for the link you have chosen into your web page where you want it to display. Our web team will verify our link on your site and review your site to make sure it meets our *qualifications then place your link on our New England, New York and New Jersey / Pennsylvania Industry Links pages. You will be notified via email when your link is approved and placed on our site.

Reciprocal links are a great way to build targeted traffic and add value and relevance to your site and the sites you link to. We encourage you to take advantage of this opportunity.
