What do you do now and what are you planning for the future? BBS is a full-service architecture, interior design and engineering firm. Our practice spans commercial, institutional, educational, worship and public work. With an extensive portfolio of LEED certified projects, BBS is a leading Tri-state and Long Island designer of environmentally responsible facilities. BBS designed the first LEED certified public school in New York State.

Hobbies: Golf, cooking, gardening, boating

Favorite book: "Tried by War: Abraham Lincoln as Commander In Chief" by James M. McPherson

Favorite movie: "The Gladiator"

Person you admire most (outside of family): Walt Disney

Keys to success: Blending beautiful designs with an in-depth understanding of how buildings are built, perceived and utilized

If you had to choose another vocation what would it be? Puppeteer
