What do you do now and what are you planning for the future? Syska's breadth of services today goes far beyond the design of building systems to include the implementation and perfection of processes that drive out clients' success. Designing Information Technology (IT) Infrastructure, Audio-Visual (A/V) and Security Systems demands global best practices in consulting, engineering, technology and construction. At Syska Hennessy Group we deliver it all - from pre-design to construction administration and final acceptance.

Our multi-disciplinary engineers specialize in integrating your facility's infrastructure to support every network system.

Hobbies: Snowboarding, football, softball, beach volleyball

Favorite book: "The Lord of the Rings"

Favorite movie: "Braveheart"

Person you admire most (outside of family): George Washington

Keys to success: Integrity, hard work and learning from your colleagues

If you had to choose another vocation what would it be? Teacher
