

Henderson joins Morris Adjmi Architects

December 12, 2011 - Design / Build

Morris Adjmi Architects has appointed John Henderson to the newly created position of managing director. He will be responsible for overseeing day-to-day operations as well as leveraging his more than 20 years of experience to expand the firm's interior design practice.

Henderson is an award-winning architect and design services manager with expertise in completing work for high-profile hospitality, residential, corporate, institutional and commercial clients, along with proven abilities in design, project management, business development and professional practice administration.

Previously, Henderson was studio director at Clodagh Design.
