What are your resolutions for 2012?

After reviewing my resolutions and accomplishments for this past year it is clear to me I must refocus, stay centered and get back to real estate basics 101. Going to the gym, exercising and eating a healthy diet is something I need to stick with on a daily basis. Staying centered with a positive focus is my road to success. Getting back to real estate basics 101 with a great deal of follow up needs to be my goal. Follow up is my key to success
