

James McCullar Principal James McCullar & Associates, Architects

February 04, 2008 - New York City

Name: James McCullar, FAIA

Title: Principal and 2008 President, AIA New York Chapter

Company: James McCullar & Associates, Architects

Location: 63 Greene St., Ste. 503, New York, NY 10012

Birthplace and year: San Angelo, Tex., 1941

Family: Not married; stepdaughter editor in NYC

Colleges: Rice University and Columbia University

First job outside of real estate: Delivering newspapers in 6th grade

First job in real estate or allied field: I.M. Pei & Partners

What do you do now and what are you planning for the future? Urban housing and community design. Most recent projects: State Renaissance Court in Brooklyn, built over the Hoyt Schermerhorn Subway Station; and Dwyer Lofts in Harlem, the rebuilding of a collapsed turn of the century warehouse. More challenging projects.

Hobbies: Travel in Europe and American West; reading history

Favorite book: "Lonesome Dove"

Favorite movie: "Weekend" By Jean Luc Goddard

Person you admire most (outside of family): Mayor Bloomberg for the creative vision for PlaNYC

Keys to success: Learning to listen and being open to new ideas

If you had to choose another vocation what would it be? Program producer or non-fiction writer

New York Real Estate Journal - 17 Accord Park Drive #207, Norwell MA 02061 - (781) 878-4540
