What do you do now and what are you planning for the future? We work with public and private clients to understand how to improve their communities, property assets, to help improve mobility and to protect natural resources. In the future? We will incorporate even more sustainability planning and design into what we do.

Hobbies: Antique auto restoration, skiing

Favorite book: "Atlas Shrugged"

Favorite movie: "The African Queen"

Person you admire most (outside of family): Walt Disney

Key to success: Paying attention

If you had choose another vocation what would it be? I really like what I do!
