Helping people achieve their visions, success and a secure financial future are the primary reasons why I became a real estate advisor. Since, the forthcoming years may bestow uncertainty and volatility, I provide a foundation of stability, sound advice and logical solutions to increase income and enhance my client's wealth through strategic purchase of high annual yielding (12% to 15%)² triple net properties with no landlord responsibilities. I am one of the select few Certified Exchange Specialists (CES) in the U.S. and have been guiding clients who are implementing 1031 Exchanges for over 34 years.
