Edward Meltser brings extensive market knowledge, great integrity and a fierce sense of personal loyalty to all of his client relationships- whether representing the buyer or the seller. This approach, combined with a meticulous eye for detail, is the foundation for his success in the real estate industry.

A native New Yorker, Meltser has been working in the industry for over 11 years, on the management side as well as brokerage. Meltser began his career with Goodman Management in 2000 and currently serves as the company's assistant controller in addition to his responsibilities as the firm's top producing broker. In 2005, Meltser obtained his real estate license putting his working familiarity with building systems and operations to his clients' immediate advantage.

Meltser's effective communication skills and demonstrated willingness to consistently go above and beyond allows him to assist his clients in selecting the home that is right for them. His background in finance gives him a thorough understanding of a given building's financials. This means that in addition to sourcing a property that is a great life style fit for his clients, Meltser is also assisting them with a sound financial investment.

Meltser is honored and humbled to be recognized by the Bronx-Manhattan North Association of Realtors.
