

CoreNet Global co-hosts "4 Corners of a Sustainable New York"

May 21, 2012 - Green Buildings

The outlook for sustainability and an overview of its latest initiatives received front and center attention from CoreNet Global's New York City Chapter and three other leading organizations, at an event dubbed, "4 Corners of a Sustainable New York," held at Silverstein Properties' 7 World Trade Center. Participating with CoreNet NYC were the Urban Land Institute New York; the International Facility Management Institute (IFMA), New York City; and Urban Green.
