

Todd Quarterman 2012

May 21, 2012 - Green Buildings

Name: Todd Quarterman

Title: President

Company: WaterWatch Corp.

Location: 67 Warehouse St., Rochester, NY 14608

Place of birth: Rochester, NY

Family: Wife, Lisa; daughters: Alicia & Anna; son, Adam

College: Buffalo State University

First job unrelated to your current field: Environmental Consultant

First job in current field: Utility submetering was a new industry when I entered the field.

What your firm does now and its plans for the future: Founded in 1997, WaterWatch Corp. offers a complete array of submetering and energy benchmarking applications for properties ranging from multifamily, condominium, and commercial, to student housing and senior living facilities. Our Utility Bill e-Cloud assures that our clients have access to the most up to date billing, payment, collection, and management report modules available in the industry. WaterWatch's network of meter readers and wireless technology allows us to service virtually any property throughout the nation. Our clients are located in over 26 states and we will continue expanding in the future.

Hobbies: Spending time with family, boating, and snow skiing

Keys to success: Patience, determination, and vision
