What your firm does now and its plans for the future: We have upgraded our marketing efforts, website and social media to help us better reach our target audience. Have hired a consulting firm to help us reach all our business goals. We also continue to expand our services and stay on top of the latest developments in our field to give customers the best solution for every project.

Hobbies: Working out, walking, reading, baking for my family

Favorite novel: "The Thorn Birds"

Favorite film: "Titanic"

Keys to success: Surround yourself with people better than you are, be honest and true to yourself.

If you had to choose a different profession, what would it be? I am so fortunate that I can work from home, make my own hours, and always be there for my children. I don't think it could be any better.

But, would love to open a restaurant some day and utilize skills I had in my previous career.
