

## **Ilana Judah 2012**

June 25, 2012 - Green Buildings

Name: Ilana Judah, International Assoc. AIA, OAQ, LEED AP BD+C

Title: Director of Sustainability and Senior Associate

Company: FXFOWLE Architects

Location: New York, N.Y.

Birthplace: Montreal, Canada

College: McGill University School of Architecture

First job outside of real estate: "Person Friday" at my grandmother's typewriter store

First job in real estate or allied field: Junior designer and model maker at Gagnier & Gagnier Architects in Montreal.

What your firm does now and its plans for the future? FXFOWLE was founded in 1978, and is internationally recognized for excellence in design and pioneering green architecture. We believe that architects play a key role toward a more humanistic and environmentally responsible society by creating dynamic relationships between the natural world and the built landscape. We hope to advance sustainable design, and improve the state of the planet.

Hobbies: Yoga, running and sculpture

Favorite book: "Siddhartha" by Herman Hesse

Favorite movie: "Amelie" and "Barry Lyndon"

Person you admire most (outside of family): Albert Einstein

Keys to success: Inspire others to inspire you and never forget your higher cause.

If you had to choose a different profession, what would it be? Land Artist or Professor of Environmental Studies
