What your firm does now and its plans for the future? SMRT is a full service architecture, engineering, energy services, and interiors firm- working on projects throughout the United States. We have particular expertise in designing and engineering complex, 24/7 buildings for controlled environments found in advanced manufacturing or specialized facilities: cleanrooms, dryrooms, laboratories.

SMRT is also a leading healthcare designer-we're currently working on a new 640,000 s/f replacement hospital that's being delivered through integrated project delivery (IPD). We additionally have strong practices in justice, government and higher/ private education.

Hobbies: Downhill skiing, camping, keeping one step ahead of my wife.

Favorite film: "The Incredibles"

Favorite novel: "Dolores Claiborne" by Stephen King

Keys to success: Being able to see the big picture for project issues.

Person you admire most (outside of the family): Warren buffet, author Gary Schmidt

If you had to choose a different profession, what would it be? At this point, I have no idea. I can't imagine doing anything else.
