

The Appraisal Institute finalizes its plans for the four 2008 General Demonstration Appraisal Report Workshops

February 18, 2008 - Financial Digest

The Appraisal Institute is finalizing plans for four workshops for general associate members who have not yet finished their general demonstration appraisal reports. The workshop is not a course or a seminar, but an independent learning experience with individualized guidance from expert demo graders and seminar instructors. The facilitators will answer questions and direct associates to appropriate text materials to help them complete the demonstration report requirements successfully.

Associate members who attend the 2008 General Demonstration Appraisal Report Workshops must be current in their dues and must not be subject to current disciplinary action by the Appraisal Institute. Workshop attendees must have all required course work for their particular MAI designation path successfully completed prior to submitting their application.

The cost of the workshop is \$695. Participants are responsible for arranging and paying for all transportation, lodging, meals, and incidentals. The final payment of \$595 (less the \$100 application fee) is due two weeks prior to the first day of the workshop.

The workshops will take place at the following: March 30-April 3 in Dallas, Tex.; June 22-26 in Boston, Mass.; September 21-25 in Greensboro, N.C.; and October 21-25 in Las Vegas, Nev.
