What your company does now and its plans for the future? VVA is a construction project management firm, headquartered in N.Y.C. with affiliated offices throughout the world through its JV company, VVA Sweett. VVA provides project management/cost consulting to a variety of industries. The firm assists its clients from the early stages of planning and site selection, through design and development, construction and occupancy. Our plans are to continue our organization's growth while maintaining the firm's reputation for delivering the highest standards of service in our industry.
