

Taylor completes 21,000 s/f renovation, facade construction for Swagelok; collaborates with Jobling of CampJ LLC and Christian Duerr

October 29, 2012 - Upstate New York

Taylor, a leading regional general contractor in Rochester, recently completed the construction and renovation of the local Swagelok Western New York Sales and Service Center. Taylor teamed with local developer, Peter Jobling, CampJ LLC, and architect/designer Christian Duerr for renovation of the existing 21,000 s/f building, construction of a new façade, and installation of related machinery and equipment at 10 Thruway Park Dr. Construction began in January.

"Taylor is proud to provide Swagelok with an attractive and updated office space for their local Rochester office," said Taylor President, Karl Schuler. "As a flourishing branch of Swagelok and leader in their industry, we look forward to continuing our relationship with Peter Jobling on future expansion projects within the organization."

Headquartered in Solon, Ohio, U.S.A., Swagelok Company is a major developer and provider of fluid system solutions, including products, assemblies, and services for the research, instrumentation, pharmaceutical, oil and gas, power, petrochemical, alternative fuels, and semiconductor industries. Its manufacturing, research, technical support, and distribution facilities support a global network of more than 200 authorized sales and service centers in 57 countries. Swagelok Western New York is the authorized Swagelok distributor serving Western New York and Northeastern Pennsylvania regions.
