

Ruskin, Feigenbaum, Naclerio and Weinstock of Ruskin Moscou Faltischek named Super Lawyers

November 12, 2012 - Long Island

According to Ruskin Moscou Faltischek, P.C., four of its attorneys have been named to the 2012 Super Lawyers, New York Metro Edition in the following categories: Melvyn Ruskin (health); Michael Feigenbaum (estate and trust litigation); Gregory Naclerio (health) and Benjamin Weinstock (real estate).

Super Lawyers features lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The Super Lawyers selection process results in a definitive, comprehensive listing that can be used as a resource for both attorneys and consumers in their search for exceptional legal counsel.

Attorneys are included in Super Lawyers after a meticulous nomination, evaluation and selection process. No lawyer can pay to be included. Super Lawyers lists limit inclusion to less than 5% of lawyers per jurisdiction, adding to the list's exclusivity.

"We are proud to have our attorneys recognized for their achievements in the practice of law," said Mark Mulholland, Ruskin Moscou Faltischek's managing partner. "They are leaders in every sense of the word, and the Super Lawyers list validates what we already knew about these accomplished attorneys."

For more than 40 years, Ruskin Moscou Faltischek, a sixty member professional firm, headquartered in Uniondale, New York, has built a reputation as one of the region's leading providers of innovative legal services. Its attorneys are practical, experienced advocates who measure their success by their clients' success. Cornerstone groups in all major practice areas of the law are represented at the firm, including corporate & securities, financial services, commercial litigation, digital media, energy, intellectual property, health care, real estate, employment and trusts & estates. Clients include large and mid-sized corporations, privately held businesses, institutions and individuals.
