

McLean joins GFI Capital Resources Group

January 28, 2013 - New York City

According to GFI Capital Resources Group, Jennifer McLean will join the company's executive management team as CFO. McLean brings 26 years of experience in the property management, construction, and real estate development industry to GFI. She will have direct oversight responsibility for the financial operations of the company and its related affiliates.

Prior to GFI, McLean served as CFO at Penrose Management Company, an owner/property management firm, Diversified Property Services, a construction management firm, and Etkin Equities, a development and property management firm. She received her Master's degree in Finance from Wayne State University and holds dual bachelor's degrees in accounting and international studies/economics from the University of Michigan.

"We are pleased to have Jennifer join our team," said Allen Gross, GFI's CEO. "She brings a wealth of financial experience in the real estate industry, exceptional business acumen and substantial leadership skills. She also has a comprehensive understanding of our business model and future goals. We are confident that she will be a valuable asset in the continuous growth and expansion of GFI."

"I am extremely excited to be joining such a diverse organization," said Jennifer McLean. "The success that GFI has achieved under Allen's leadership is inspiring. I'm committed to playing an active role in positioning the company for future growth and development and to ensuring that we exceed all financial objectives."
