February 25, 2013 - Green Buildings

Name: David Bar

Title: Vice President

Company: ABest Energy Power

Location: Cedarhurst, N.Y.

Place of birth: Brooklyn, N.Y.

Family: Married

College: Bernard Baruch College, CUNY

First job unrelated to your current field: Assistant to magazine editor

First job in current field: I was a marketing consultant for ABest Energy Power who eventually brought me on board full time.

What your firm does now and its plans for the future? We offer a white-glove, end-to-end solar energy installation service to building owner-operators, apartment landlords, and home owners. Every aspect of the installation is completed in-house in order to ensure a seamless and secure solar investment. We are expanding our offering into LED lighting, computer controlled buildings, and cogeneration/micro-turbines.

Hobbies: I love to play tennis, surf, and travel.

Favorite novel: "Planet of The Apes" by Pierre Boulle

Favorite film: "Rudy"

Keys to success: Listen, interact, and connect with the customer. Treat their project as if it were your own.

Person(s) you most admire (outside of family): 911 first responders

If you had to choose a different profession, what would it be? Gold mining
