

Downing joins ADMAR Supply as director of branch operations

March 11, 2013 - Upstate New York

ADMAR Supply recently hired Greg Downing as director of branch operations. As director of branch operations at ADMAR, Downing is responsible for providing strategic oversight for each of the company's seven branch locations across NY and Penn. Specifically, he oversees the introduction of process improvement systems, implementation of standardized systems and procedures, and the delivery of the monthly financial goals. He will also provide leadership to branch management at each branch location.

Downing has more than 20 years of experience in telecommunications, construction and manufacturing, most recently as the U.S. Product Manager for Algeco Scotsman, a global construction services company.
