

Personality Profile: Anthony Jabbour 2013

March 25, 2013 - Green Buildings

Name: Anthony Jabbour

Title: Director of Project Management

Company: US Energy Group

Location: Fresh Meadows, N.Y.

Place of birth: Flushing, N.Y.

Family: Dad - Elie; Mom - Rhoda; Brother - Nick; Dog - Frankie

College: Fordham University

First job in current field: This one

What your firm does now and its plans for the future? We provide building owners and managers with the tools they need to take control of their energy consumption. Our Building Energy Management System (BEMS) controls buildings' HVAC systems efficiently and monitors key points of operation to help reduce their emissions and operating expenses. Our plan is to expand the capabilities of property managers to run energy-efficient buildings through the most comprehensive and advanced software-based solutions.

Hobbies: Snowboarding, sporting events, concerts

Favorite novel: "1984"

Favorite film: "Forrest Gump"

Keys to success: Preparation and data-driven analysis. The first step in solving any problem is understanding the problem, and the only way to do that is with good information.

Person(s) you most admire (outside of family): Teachers

If you had to choose a different profession, what would it be? Probably some kind of writer.
