What your firm does now and its plans for the future? PCGNY is the "building envelope" contractor of choice and industry leader specializing in liquid roofing/waterproofing and masonry work. Our main objective is delivering exceptional product and service to our clients. We accomplish that by listening to our client's goals and concerns. PCGNY is active in the areas of green building practices and sustainable design. We promote the efforts of the USGBC and facilitate the adoption of its recommended green building practices on our projects. Our goal is to continue to grow the business and long-term relationships with our clients. We plan to leverage new material technology to increase our competitive advantage.
