November 22, 2010 - Upstate New York

Key Properties of the Hudson Valley llc. has moved to a new location on the Campus of New York Military Academy (NYMA).

According to Rich Pasiut, Key Properties was selected as property manager for NYMA.

"I'm very proud to have this opportunity to work closely with the trustee's and staff at NYMA. Their long history of producing some of the most prominent business leaders in America is humbling and inspiring at the same time."

Key Properties will continue to be one of the area's leading award winning commercial and residential brokers, while working on this refurbishing and rental conversion project.
