

Maurer, senior healthcare architect, joins SMRT's Albany New York Office

May 13, 2013 - Upstate New York

SMRT - Architects and Engineers - welcomes Andy Maurer, AIA, NCARB. Maurer brings 15 years of progressive design experience - with an emphasis on healthcare design - and strong project management skills. Maurer is a registered architect in N.Y. and Mass. Andy has designed and managed healthcare projects ranging from small renovations to major additions in a wide variety of medical facilities. He has worked on numerous projects for clients including the Albany Medical Center, the Samuel S. Stratton Veterans Hospital and Northeast Health. Andy holds a Bachelor of architecture degree from Roger Williams University and has completed multiple courses at the Boston Architectural Center.
