

Hunt Corporate Services handles two leases totaling 29,076 s/f

September 09, 2013 - Long Island

Hunt Corporate Services, Inc. has arranged two leases totaling 29,076 s/f on Long Island.

In the first deal, Allcare Medical leased an additional 12,076 s/f at 125 Newtown Rd. David Hunt, president of Hunt Corp., represented the landlord, Anton Cerrone Associates. The tenant represented themselves.

Allcare Medical, a division of Passaic Healthcare Services, LLC, is a full service durable medical equipment (DME) company specializing in clinical respiratory, wound care and support surfaces. Allcare Medical employs over 200 associates with seven locations in New Jersey, New York and Pennsylvania and is using the additional space for executive and sales offices.

"Since Allcare Medical is in a major growth mode, we were fortunate to have a vacant suite next to their present suite in Plainview. It nicely met their requirements for additional space and saved them from completely relocating their offices and warehouse," said Hunt. "The landlord custom built the new offices and warehouse to Allcare Medical specifications."

The second deal was Max USA Corp., renewing their lease of a 17,000 s/f industrial building at 257 East Second St. in Mineola. Hunt represented the landlord Great Neck Saw Manufacturers, Inc. Max USA is the distribution arm in North, Central and South America of Max CO. LTD which is headquartered in Tokyo, Japan. Max is an international manufacturer of construction tools and office products.
