October 24, 2013 - Front Section

Cresa Long Island and Ruskin Moscou Faltischek, P.C. will hold a breakfast Long Island Real Estate Technology Forum on October 31st.

Is it true that only 30% to 40% of our workspace is utilized?

Studies show that due to business travel, off-site meetings, vacations, leaves, telecommuting and other factors, almost half of every workplace is empty and two-thirds of all meeting rooms are underutilized.

TPG Architecture, Condeco and HiTouch Business Services LLP present: The Case for the Alternative Workspace

Join them for an informative discussion and explore the tools used to measure and plan a modern, efficient and flexible workspace the technologies needed to support the new work environment. TPG Architecture, a corporate architectural firm understands the changing landscape of workplace design and how we work is rapidly evolving. No longer is there a "one size fits all" solution.

Condeco, a leading provider of integrated meeting room, desk booking and space utilization technologies to over 400 companies worldwide will showcase their Sense tool.
