

## **Thru the Lens: Skanska USA celebrates grand opening of NYU's new Media and Games Network**

January 27, 2014 - Front Section

Skanska USA celebrated the grand opening of NYU's new Media and Games Network (MAGNET) in the borough's MetroTech Center. In collaboration with Skanska, NYU constructed MAGNET to bring together faculty from both NYU and the Polytechnic Institute of NYU, whose teaching and research bridge technology and culture.

Skanska's expertise in the construction of higher education facilities helps create environments designed to inspire learning, innovation and ingenuity. As one of the top builders of educational facilities in the U.S., Skanska has contributed to many campuses in New York such as Columbia University, City University of New York, and Cornell University.
