Created in 2007, these celebrated annual awards are a distinctive program that evaluates and ranks the best places of employment based on employee satisfaction and engagement, as well as workplace practices and policies. The 2014 Best Companies to Work for in New York State Awards is a partnership of the New York State Society for Human Resource Management (NYS-SHRM), The Business Council of New York, Best Companies Group and Journal Multimedia Corporation. To be considered for recognition, companies had to enter into a two-part survey process and fulfill eligibility requirements set by the partners of the program.
