What do you do now and what are you planning for the future? I believe innovation and communication is the key to success. I always focus on finding the most cost-effective solutions for building challenges and best utilize design materials to provide innovative solutions while staying on budget and providing building occupants with the healthiest alternatives. I also plan to dedicate more time to mentor high school kids.

How do you unwind from a busy day in real estate? I like to read a good book or take long walks.

Favorite book author: Dan Brown and Thomas Friedman

Favorite movie: "Out of Africa"

Last song you purchased/downloaded? -"Happy" by Pharrell Williams

Rules to live by in business: Be determined, aggressive and passionate about work.

If you could invite one person to dinner (living or dead) who would it be and where would you go?

Hillary Clinton
