First job outside of real estate: Greenhouse Supplier in East Bridgewater, MA

First job in real estate or allied field: Worked for my father's HVAC company

What do you do now and what are you planning for the future? I'm currently a project manager, managing a multitude of projects from restaurants, corporate fit outs, to retail work. In the future, I would like to work my way into an internal operations role.

How do you unwind from a busy day in real estate? I like to do a lot of different things to unwind like playing with my kids, playing hockey, going to the gym, and mountain biking.

Favorite book or author: "The Great Gatsby" by F. Scott Fitzgerald

Favorite movie: "The Fugitive"

Last song you purchased/downloaded? "I Stand Alone" by Godsmack

One word to describe your work environment: Organized

Rules to live by in business: If you are going to do something no matter how small or big put all your effort into it.

If you could invite one person to dinner (living or dead) who would it be and where would you go? My grandfather (mom's father), he died long before I was born so I never got to meet him. I would invite him to my house for dinner so he could meet my family and we wouldn't be interrupted by people at a restaurant.

What is your dream job? Professional hockey player
