

## **New real estate agent tool YifteePro launches nationally**

April 07, 2014 - Front Section

There's a new, instant way for real estate agents to thank clients - with the launch of YifteePro nationally. YifteePro is an innovative gifting website ([pro.yiftee.com](http://pro.yiftee.com)) that simplifies gifting for real estate agents. Allowing the gifter to upload a list of clients, colleagues, prospects, etc., he/she chooses a gift from several local merchants and national brands, personalize the gifts, and send. The recipient immediately gets the gift message and can redeem the gift at a local merchant near to them.
