Steve Madden, the iconic shoe brand, is now open on Destiny USA's second level. The outlet is located between Game Craze and Jennyfer. The brand is known for the design and marketing of trendsetting shoes and accessories.

"Destiny USA is now home to the only Steve Madden in Central New York," Rob Schoeneck, general manager of Destiny USA, said. "The brand adds to our collection of unique retail stores to the region, while also adding to the outlet component within our expansion."

Steve Madden embraces fashion while still maintaining a funky independent style that defined the brand 20 years ago.
